

**TOMPKINS COUNTY
ITHACA TOMPKINS INTERNATIONAL AIRPORT
PFC APPLICATION**

April 20, 2022

Notice of Opportunity for Public Comment

**Intent to File Application to “Impose and Use” Passenger Facility Charges
at the Ithaca Tompkins International Airport**

Tompkins County intends to file an application to "Impose and Use" Passenger Facility Charges (PFC) with the Federal Aviation Administration (FAA) that will allow the County to augment its capital improvement program at the Ithaca Tompkins International Airport. As required under Section 158.24 of CFR Part 158, "Passenger Facility Charges", Tompkins County is hereby providing public notice of its intent to file the application.

Comments may be filed with Ms. Roxan E. Noble, Airport Director, Ithaca Tompkins International Airport, at the address listed below on or prior to May 20, 2022. Comments received by that date will be considered by the County and will be forwarded with the application to the FAA. Project descriptions, justifications, and summary of project costs are provided with this notice. More detailed project justification information will be provided upon written request to Ms. Noble.

Ithaca Tompkins International Airport
Airport Director's Office, Administration Building
72 Brown Road
Ithaca, NY 14850

Under the new PFC program, the total estimated net PFC revenue will be \$1,959,788 with an estimated charge effective date of June 1, 2022 and an estimated charge expiration date of September 1, 2026. The application to “Impose and Use” will allow collection of PFCs to continue at the \$4.50 level.
